

The Superior Jaycees Monthly Newsletter April 2010

A Message from the President

Congratulations to everyone that had a hand in making the Brewfest a great event once again! It is a big undertaking and the committee made it look like a walk in the park, thanks a lot for your hard work and dedication! I was sent to the Jaycee's booth to "supervise" for the evening and had a lot of great feedback from Brewers on the hard work of the volunteers, thanks for all the help. Hopefully everyone was able to enjoy themselves as they worked.

The golf committee is going to get together pretty soon to start planning, please let me know if you are interested in getting involved. The more the merrier! Check the calendar for upcoming events.

Brewfest is behind us! Another great job done by the brewfest committee. Thank you for all your hard work. Also thank you to all the Jaycees (and those who you rounded up) for coming out to volunteer and help out with this event. Great job everyone!

FYI: the WI Jaycees has an auction site where all the money raised goes to JCI Wisconsin. Check it out www.webidz.com/stores/WIJAYCEES, there is some neat stuff there that is donated.

Individual Development V.P.

Thank you to all that were able to help out with Brewfest! Without everyone's efforts the event would not be a success!

As you were all notified, we had to cancel the Progressive Dinner due to lack of interest. With that, we will revisit the event later in the year to see if there is any more interest from the group to put this on.

Lastly, being that summer is approaching, I am going to schedule some golf lessons for the group. If this is something that interests you, please let me know via email so I can get a headcount and get a schedule put together in the near future with Nemadji. Stay active!

Community Development

It is a busy time in Community Development over the next couple of months so keep an eye out for emails to come. First off we have Spring Highway Clean Up on Wednesday, May 12th then the Sandbox Fill on Saturday, June 5th. As always we will go to Rapids Riverside for pizza and beverages after the clean up and reminisce about the wonderful treasures found alongside the highway.
